

KEYPOINTE

ONSITE

REAL Healthcare Solutions!

KeyPointe Medical Onsite reduces your company's healthcare costs with your own onsite healthcare clinic. KeyPointe Medical Onsite saves you the EMPLOYER money by bringing primary care, occupational health, a pharmacy, and health risk assessments in house.

HOW THE EMPLOYER BENEFITS:

KeyPointe Medical Onsite healthcare clinics allow employers to provide convenient, quality healthcare to their employees, while reducing the employer's overall healthcare costs. Our onsite clinics are staffed by highly trained medical practitioners who become your healthcare advocate.

KEYPOINTE MEDICAL ONSITE:

Let us help you battle the rise against healthcare costs

- Control and reduce healthcare costs
- Minimize absenteeism & presenteeism
- Increase employee morale
- Monitor and manage disease prevention
